

Math Placement Test Current Students Instructions to Access the Practice Test

Follow the instructions below in order to access the Math Placement Test practice tests. If you do not know your UCF Network ID (NID), you can go to www.mynid.ucf.edu and select "I forgot my NID." You will be directed to the NID Lookup page where you can retrieve your NID. If you are having trouble accessing the page, please contact the UCF Helpdesk at 407-823-5117.

How to Check Eligibility Status: In order to verify that you are eligible to take the Math Placement Test, you must first email Math Placement at mathplacement@ucf.edu. Indicate **Eligibility Status** in the subject line and your email message must include: First Name, Last Name, NID, phone number and list any college level math courses you have taken and the grade you earned in each course. Once your eligibility has been confirmed, you will receive information on how to remit payment.

Once payment has been received (if needed) and you have been uploaded to the MyLabsPlus system, an email confirmation will be sent to you along with your login information. Follow the steps below to access your practice test.

Request Extended Time or Testing Accommodations: Students who believe they qualify for academic accommodations for placement tests and/or academic courses should contact Student Accessibility Services (SAS) prior to starting the test to inquire about options available (sas@ucf.edu; 407-823-2371). Student will need to submit the *Placement Test Accommodations Request Form* (<http://sas.sdes.ucf.edu/form-placementtest>) to SAS. The process to review documentation may take up to ten (10) business days to determine if the accommodation request is appropriate for approval.

Instructions to Access the Practice Test:

1. Go to www.ucf.mylabsplus.com and login using your NID and MyLabsPlus password.

7. On the new page, click on “I am ready to start” button located at the bottom right of the page.

The screenshot shows the UCF course interface. The top navigation bar includes the UCF logo, the course title 'Week 03 Pd Enrollment Deposit 1/15/18-1/21/18', and links for 'Tools', 'Dropbox', 'Tech Support', and 'Help'. The left sidebar contains navigation options: 'Course Home', 'UCF Placement Tests', 'Study Plan Results', 'Support', and 'Test Scores'. The main content area is titled 'Are you ready to start?' and displays the following information:

- Test: Practice Algebra rev
- Questions: 53
- Attempts: 0 of unlimited
- This test will affect your Study Plan score.

A light blue notification box states: 'You have 180 minutes left to complete this assignment.' To the right, a 'Reminders' section contains the text: 'You must score at least 35% before you can begin Start your Math Placement Test Here' and a link: 'View a tutorial on how to enter your answers before starting.' At the bottom of the main content area, there are two buttons: 'Start Test' (circled in red with a red arrow pointing to it) and 'Cancel'.

8. A new page will load with the practice test. Note: students are required to earn a 35% or higher on the practice algebra test before proceeding to the actual algebra placement test. Students have an unlimited number of attempts for the practice test.

Schedule your Math Placement Test Appointment: As a reminder, since you are a current UCF student, the actual Math Placement Test must be taken in a proctored environment at University Testing Center (UTC). Testing is available on an appointment basis only. Navigate to <http://registerblast.com/ucf/exam> and click on “Math Placement Test Appointment” then choose from the available dates and times that are listed. Please be sure to provide your Knights email when registering.

Math Placement Test Retake Option Students who meet certain criteria will have the option to retake the Math Placement Test for a cost of \$35. Retakes must be completed in a proctored test environment scheduled at the University Testing Center at UCF. For more information and to verify if you are eligible to retake the MPT, please email us at mathplacement@ucf.edu
